Highland Local Schools, Sparta, Ohio

Board of Education and School Administrators

The Highland School Board of Education--from L. to R.--Kenneth Mosher; Noel Young; Alex Fuller; Carl Fisher, President; Forrest Porter; and Elmer Boyd.

Glenn Moss--Superintendent
Highland Local Schools

We consider him a great friend because he is interested and concerned with our welfare. He is the liaison between our schools and the School Board, busily working with all phases of organization, maintenance, and planning for our best future education.

Contribute Valuable Leadership and Service

Glenn Hochenshilt--Principal
Chesterville School

C. Norris Simpson--Highland Principal
Athletic Director

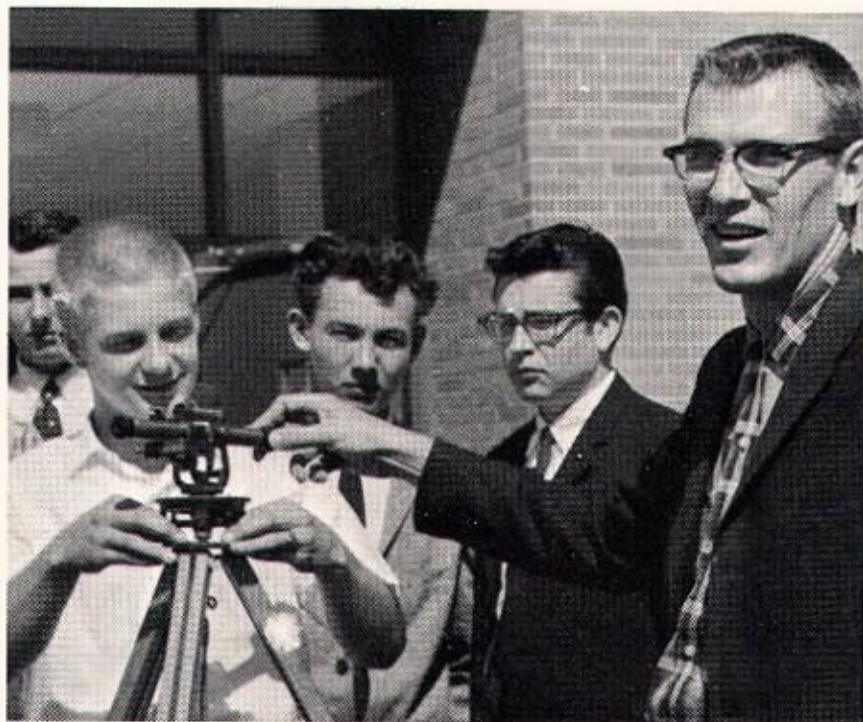

His immediate responsibilities include the complicated aspects of coordinating, directing, and supervising all phases of plant operation, teacher assignment, student personnel, curriculum, records and reports, and extra-class activities.

Gordon Anderson--Principal
Marengo and Sparta Schools

EVA GIAMMERINO--Girls' Phys. Ed.

DONALD GRIMM--Instrumental Music

LENORE RICE--Vocal Music

QUENTIN KENTIGH--Guidance Counselor

This year we have for the first time a guidance counselor. He advises students on subjects and courses that would be advantageous to them in the future. He also administers a scholarship, aptitude testing program. He contacts representatives from different colleges and arranges for them to come to talk to those students who are interested. He works in connection with employment offices and industries in the community. In the future he hopes to increase this representation.

Service Personnel

Mrs. Headings possesses three excellent attributes: perserverance, patience, and efficiency. Her sincere interest in the students is expressed in many ways.

Our cooks: Mrs. Harding, Mrs. Rogers, and Mrs. Givens, manager our cafeteria expertly. Lunch hour is the best period of the day.

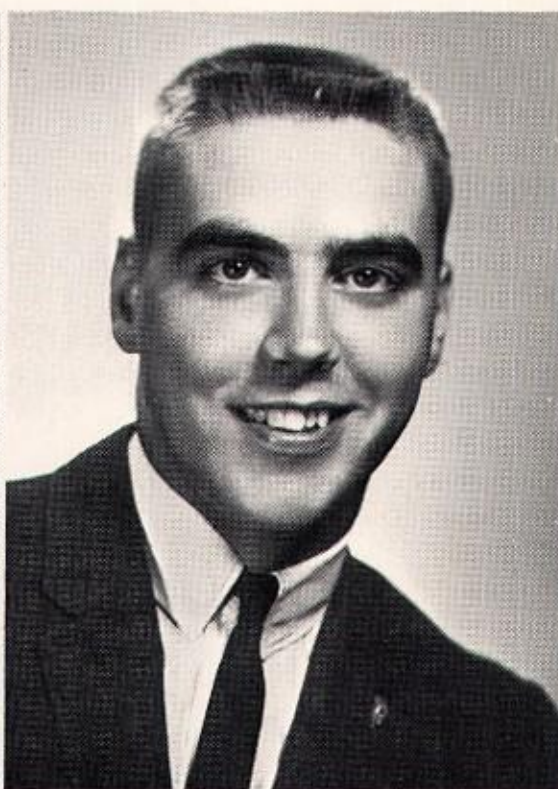

Mr. Kinney and Mr. Linkous, our custodians, are found anytime during the day or night sweeping floors, carrying chairs, or performing many other acts of service for our care and comfort.

God has taken another petal
From a rose so sweet and fair;
He has called this petal home,
From a world of turmoil and care.

One by one we'll come and join you;
Soon the stem will stand alone,
For each petal soon will meet you,
In that happy heavenly home.

Honor Society

President	Dennis Chipps
Vice-President	John Irvine
Secretary	Cheryl Hollis
Treasurer	Sharon Throckmorton

The Primary Concerns of the Honor Society are: Scholarship and Service.

The purpose of the National Society is to recognize and promote Scholarship, Leadership, and good Character. Highland High School is fortunate in having a large number of students that meet these qualifications. During this past year our members demonstrated these qualities in their many activities.

Board members, faculty, and many honor students attended the County National Banquet at Northmore High School in April.

The last business of the year was to approve the purchase and installation of a directory board. This will be placed in the hall and will be used by the National Honor Society and administration to announce Scholastic opportunities and achievements.

The "Tapping" Ceremony for new members is the "high" moment of the year for the students.

Beta Kappa Phi—Highland Science Club

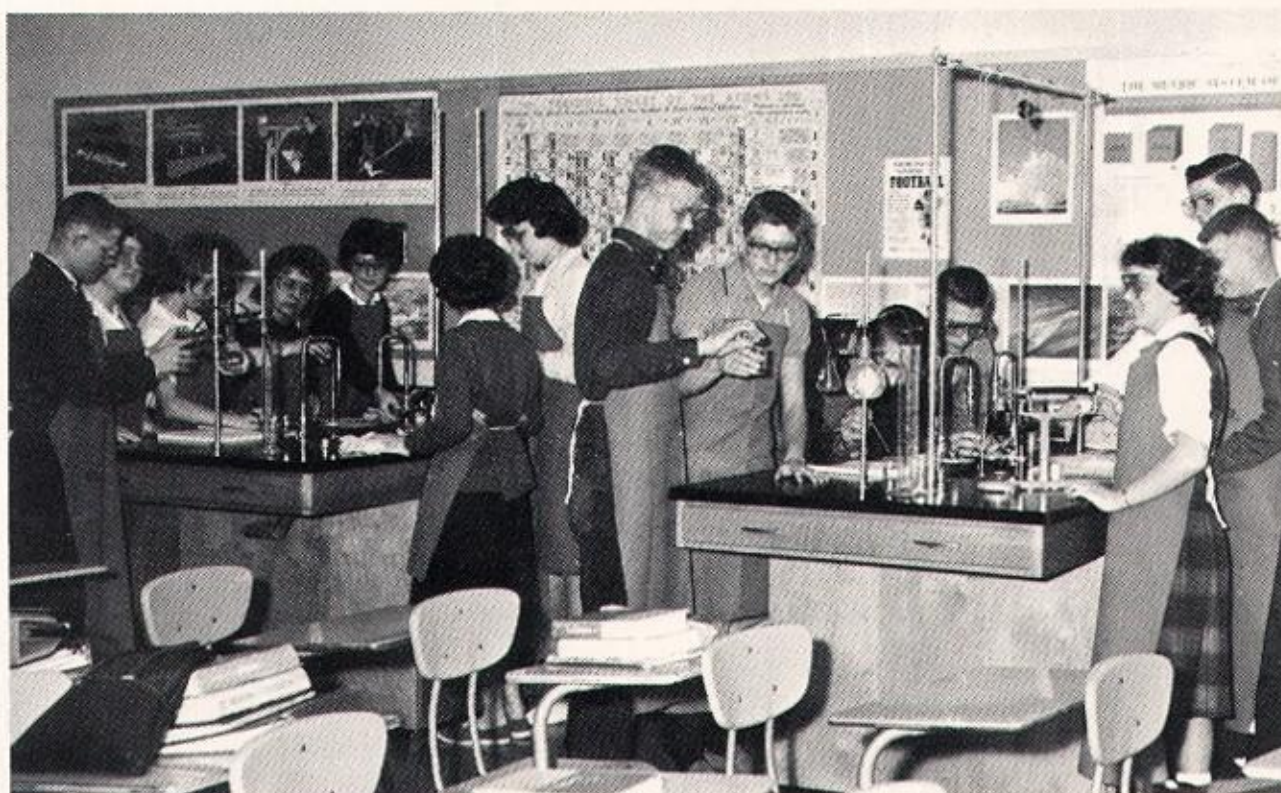

Officers: Pres. Dick McCormick; V. Pres. Dennis Chipps; Sec. Anna Jordan; Treas. Brenda Stevens; Reporter Vicki Marshall, Donna Denity; Co. Representative Dennis Chipps, Linda Weaver, Rita Griffith, Ted Fuller.

Beta Kappa Phi Science Club students stuck mostly to the business of Science Fairs this year. Students strive for continual improvement, and our projects were on the average, of better quality than last year's.

Our activities were limited but the members had a great time at the wonderful Christmas Party held at the celebrated, "Holiday Hill."

Future Teachers

The Future Teachers of America, with fourteen members, holds regular meetings throughout the year. The group participated in a county rally held at Mt. Gilead School.

Several members attended the Teaching Career Day at the Ohio State University, gaining information on major teaching areas, professional aspects of teaching, and job opportunities in the field.

Skating Fun!

Down for the count !

The Varsity Men entertained their members and guests with a bowling party at Cardington in late November.

Hat-Check work and monthly Skating Parties during March, April, and May were held at the Marion Skating Rink. These projects were carried on for the purpose of making enough money to purchase a Camera for the Athletic Department of the School.

This pictured was taken at one of the skating parties sponsored by the Lettermen's Club.

Library Helpers

Book Store

Student librarians prepare books for circulation and help patrons locate information. Assisting in the library gives students experiences valuable to both mental and social growth.

The school bookstore, with controlled titles, makes more good reading material Available to students and encourages them to build their own home library.

Highlander—Yearbook

Complete Working Staff (Brenda Snyder, Absent)

The Highlander Staff organized as a club in October. The "Year Book Ball" held in December was lots of fun and netted the Staff enough money to purchase a small camera for the organization. In order: the staff sold advertising, planned Year Book, met deadlines on time, sold books, and completed the Highlander '64.

FBLA

A Back-to-School Dance in September was first on the list of activities of the F.B.L.A. for the 1963-64 school year.

Highland Chapter was installed into the National Organization in October by the Cardington F.B.L.A. group.

At Christmas time we made treat baskets for the Chesterville Convalescent Home. Also, at Christmas we went to Holiday Hill in Delaware for an evening of recreation and entertainment.

In February, the club sent four delegates and our advisor to the F.B.L.A. Convention held in Cincinnati.

During the second semester the club sponsored the sale of typing and stenographic paper.

In April the annual commercial contests were held.

The club feels that they have had a good year and achieved many things.

In Memoriam

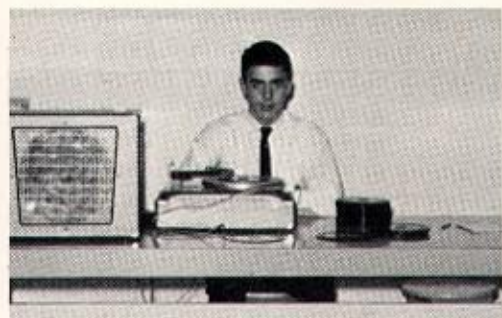

FRANK
 SCARBERRY

The heavenly muses whisper low,
 God needed two here. They had to go.
 To become a part of eternity,
 And members of God's fraternity.

God knew what sorrow he had planned
 He hopes the mortals will understand.
 And Remember as they onward plod,
 These two play sweet music as they
 rest with God.

This year Sophomores participated in various activities. We had several boys and girls in sports and musical events. Our "Come to the Circus" dance and raffle was the highlight of our year. Sharon Henson won the toy dog that was awarded.

Our other money-making project was the sale of window cleaner. With our projects and dues, we more than doubled our treasury.

Freshmen find that high school brings many new and different experiences: new teachers, new subjects, and new activities.

In October, the Freshmen sponsored the Halloween Dance with Jim LaFever and Mary Martin as the disc jockeys.

At the local science fair, 21 out of 82 projects received superior ratings.

Sandra Walker and Sue McCormick were the top scorers in the Preliminary-District Scholarship Tests.

In April, the Freshmen's candy sale campaign cleared over \$600.

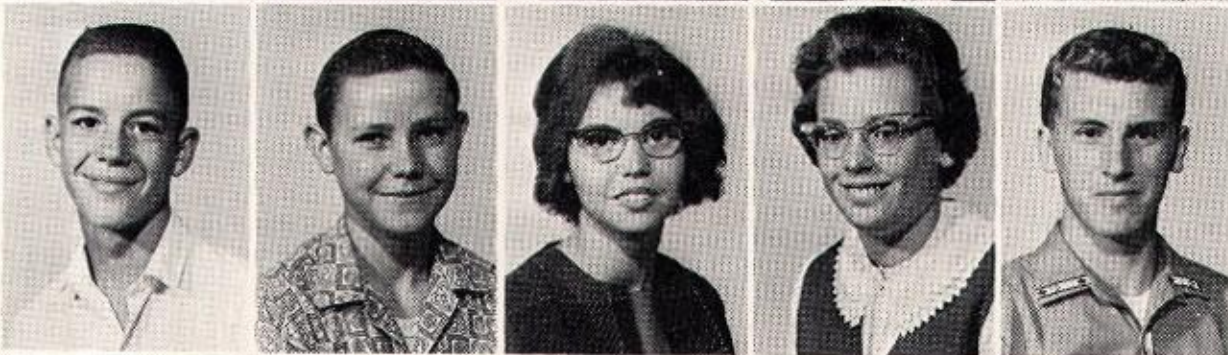

All-in-all, the Freshmen have had an educational and exciting year.
